6. Any additional information you may feel would help us to better place you on a team.

Application Continued on Back

2012 HONDURAS APPLICATION

This year we are adding two new elements to our trip experience:

1. **Mission Buddy (Mentoring)** Every team will have a mix of adults and students. We want to encourage this interaction between generations and would like to pair every student with an adult of the same gender who would be willing to develop a relationship with the student prior to going on the trip and to meet daily with them while in Honduras and to follow it up with meeting after we arrive home. We will be training mentors to be equipped for this ministry as we prepare for the trip.

If you are an adult age 21 or older and would be interested in being a Mission Buddy (mentor) for a student then please circle: Yes or No

2. **Live 1:8 Challenge:** Every team member will be given a Bible study that revolves around a specific theme related to missions. The study will begin prior to leaving for Honduras, continue while in Honduras and then end after we get back from Honduras. We also as a part of this want to encourage a different team member each night during our Team Meeting to give a devotion based on the study for the day. If you would be interested in giving a devotion please circle: Yes or No

Could you please write out your testimony (briefly) of how you came to know Christ?

Why do you want to be a part of this team? What do you hope to see accomplished?

Because of the nature of the dynamics of the teams with adults and students mixed every adult 18 or older must have a background check. Do you currently have a background check that has been done through Harvest Time Bible Church? Yes or No

*If you mark no you will be contacted about having one done.
