## **Projects**

The work projects are organized to support the needs and vision of the community and designed to connect team members with the local people in the area. Your team will be involved in basic projects that do not demand experience or skilled workers. We will be working in a homeless shelter, thrift store and possibly with Habitat for Humanity.

## **Children's Ministry**

Fun in the Sun Day Camp. Each day we will be working with children from the inner city of OKC. We will be doing a VBS style ministry where we will be leading songs, Bible lessons, games, and having the opportunity to interact and minister to inner-city children.

## **Evening Group Building**

Each morning, there is time set aside for devotions and quiet time. Each participant will have a devotionals/journals. This is a valuable time and we strongly encourage everyone to spend it with God journaling their thoughts and experiences as the days unfold.

Each evening 75-90 minutes are set aside after dinner for worship, prayer. Following this evening program, there will be time scheduled for individual teams to meet together to share, debrief, have fun, and deal with team issues. We make this time a priority for you to spend with your team.
